

***Interlocking Crochet* by Tanis Galik**

Book Corrections for Kindle Users

DCIF (Double Crochet in Front): Under Step 1: Begin the dcif & Step 2: Position the mesh - The colors are reversed. Pink should be Green; Green should be Pink.

FPDCIF and BPDCIB (Front Post DCIF and Back Post DCIB): The second paragraph should read “The BPdc**ib** (not shown)” instead of “The BPdc**if** (not shown)”.

Double Designs 11 & 12: Cathedral Windows/Florentine Zigzag: Row 2A(WS): With A, ch 4, dcib in next dc, ***ch 1**, dcif in next dc, ch 1, etc.

Double Designs 45 & 46: Horizontal Moorish Lattice/Vertical Moorish Lattice:

The second half of Horizontal Moorish Lattice/Vertical Moorish Lattice is incorrectly a duplicate of the second half of Squares/Crosses. The correct second half of the pattern is as follows:

Drop Color B to front.

Row 3A (RS): With A, ch 4, dcib in next dc, *ch 1, dcif in next dc, ch 1, dcib in next dc; repeat from * across to last dc, ch 1, dcif in last dc.

Row 3B (RS): With B, ch 4, dcib in next dc, ch 1, dcib in next dc, *[ch 1, dcif in next dc] twice, [ch 1, dcib in next dc] twice; repeat from * across to last dc, ch 1, dcif in last dc.

Turn the entire piece.

Drop Color B to back.

Row 4A (WS): With A, ch 4, dcib in next dc, *ch 1, dcif in next dc, ch 1, dcib in next dc; repeat from * across to last dc, ch 1, dcif in last dc.

Row 4B (WS): With B, ch 4, dcif in next dc, ch 1, dcif in next dc, *[ch 1, dcib in next dc] twice, [ch 1, dcif in next dc] twice; repeat from * across to last dc, ch 1, dcib in last dc.

Turn the entire piece.

Repeat Rows 1-4 until piece is desired length.

Two-Tone Business Tote Pattern: Hook - G/6 (4mm)

Nautical Drawstring Carryall Pattern: Hook - H/8 (5mm)

Please printout all corrections and add to your copy of *Interlocking Crochet*. I apologize for any inconvenience these misprints might have caused.
