Yarn Drawstrings (Make 2)

With B work a chain that measures 24” (60cm) long.

Row 1: Sl st in 2nd ch from hook, sl st in each ch across. Fasten off.

With RS facing, take one completed Drawstring and, beginning at one side, weave the Drawstring through the lower Drawstring Row, weaving over 2 posts (A & B), then under 2 posts (A & B) all the way around. Be sure not to twist tie. When you’ve made a full circle, tie the ends of the Drawstring together and weave in ends. With the other Drawstring, and beginning at the opposite side, weave the Drawstring through the upper Drawstring Row in the same manner as the first Drawstring.
