

# Interlocking Crochet™

Designed by Tanis Galik – Explore the Possibilities! at <http://www.interlockingcrochet.com/>

## Double Design - #7 & 8 Dominos/Staggered Fence

Side 1 (RS): Color A creates the fence; Color B creates the dominos.

Side 2 (WS): Color A creates the fence; Color B creates the background.

*This interlocking pattern works evenly over a multiple of 6 + 2 A-colored boxes.*

With A, work a foundation ch that is a multiple of 12 sts + 8.

Foundation Row A: With A, work row 1 of filet mesh, set aside.

With B, work a foundation ch that is two chains shorter than the length of the A-colored foundation chain.

Foundation Row B: With B, work row 1 of filet mesh, set aside.

Place the A-colored layer on top of the B-colored layer, with the working yarn of both pieces at the same edge (right edge if you are right-handed, left edge if you are left handed).

Drop Color B to back

Row 1A (RS): With A, ch 4 (counts as first dc, and ch-1 sp), dcif in next dc, ch 1, dcif in next dc, \*[ch 1, dcib in next dc] 3 times, [ch 1, dcif in next dc] 3 times; repeat from \* across.

Row 1B (RS): With B, ch 4, dcib in next dc, \*[ch 1, dcif in next dc] 4 times, [ch 1, dcib in next dc] twice; repeat from \* across.

Turn the entire piece.

Drop Color B to front

Row 2A (WS): With A, ch 4, dcib in next dc, ch 1, dcib in next dc, \*[ch 1, dcif in next dc] 3 times, [ch 1, dcib in next dc] 3 times; repeat from \* across.

Row 2B (WS): With B, ch 4, dcif in next dc, \*ch 1, dcif in next dc; repeat from \* across.

Turn the entire piece.

Repeat Rows 1 and 2 until piece is desired length.

Row A (RS) only: With A, ch 4, dcif in next dc, \*ch 1, dcif in next dc; repeat from \* across.
