Double Design - #45 & 46 Polka Dots/Tunnels

Side 1 (RS): Color A creates the background; Color B creates the polka dots.

Side 2 (WS): Color A creates the tunnels; Color B creates the bridges.

This interlocking pattern works evenly over a multiple of 4 + 1 A-colored boxes.

With A, work a foundation ch that is a multiple of 8 sts + 6.

Foundation Row B: With B, work row 1 of filet mesh, set aside.

Place the A-colored layer on top of the B-colored layer, with the working yarn of both pieces at the same edge (right edge if you are right-handed, left edge if you are left handed).

Front Popcorn = Work 5 dcif in same dc, remove hook, reinsert hook in the top of the first dc of the group, recatch the empty loop, pull loop through to close popcorn, ch 1 to lock.
