## Double Design - #31 & 32 Tic Tac Toe/Barbwire

Side 1 (RS): Color A creates the frames; Color B creates the x's and o's.

Side 2 (WS): Color A creates the barbwire; Color B creates the background.

*This interlocking pattern works evenly over a multiple of 4 A-colored boxes.*

With A, work a foundation ch that is a multiple of 8 sts + 4.

Foundation Row A: With A, work row 1 of filet mesh, set aside.

With B, work a foundation ch that is two chains shorter than the length of the A-colored foundation chain.

Foundation Row B: With B, work row 1 of filet mesh, set aside.

Place the A-colored layer on top of the B-colored layer, with the working yarn of both pieces at the same edge (right edge if you are right-handed, left edge if you are left handed).
